ICEJ UK TOURS TO ISRAEL

COMMENTS RECEIVED

*"I just wanted to say a BIG THANK YOU for giving me the opportunity to go to Israel. It was absolutely fantastic to say the least! What a wonderful experience; truly amazing - thank you!"*

*"The tour was wonderful"*

*"I thought the whole thing was excellent, and I can't think of anything major that could be improved. You and Marion helped the group to gel together; I particularly liked the personal scripture you gave in each of our booklets - I know that blessed others also. This gave a sense of belonging and of a 'faith' journey together. The readings you and Marion gave were pertinent and helped us to focus on the importance of the site in biblical terms - perhaps more of that in the future would be helpful - this helps us to make similar connections in our own reading. I loved the way we prayed naturally on the coach! Especially for Yehuda and Golani - they both were just brilliant; they seemed to honour our faith and were very natural with us. To me there was a high level of respect amongst 'all', which I truly thank God for - a real sense of unity. The last evening, when we met together, was evidence of this. The whole thing, for me, was jolly and spiritual! What a great mix!"*

*"We so appreciate all the hard work you and Marion put into the tour before and during it. It was a great success in every way. Thank you both so much."*

*"As far as our feedback to you is concerned, we feel that we can't thank you enough for all your pastoral care and organisation. Both of you gave excellent, valuable input which we found interesting and beneficial. On whether or not it was 'too little, not enough, or just right', we realise that different people want different information, and everyone on the tour has to be catered for, but we both feel we could have listened to more from both of you. That is not a criticism, only that you have so much to give and we could have listened to more of your explanations on the Bible."*

*"We just wanted to say a big "thank you" for all you've done to make our time in Israel such a blessing to us. We'll have many happy memories for years to come and have learned so much more about the land of our Lord and Saviour and our forefathers. Your teaching is an inspiration to us and has helped us to get so many things in perspective."*
